## Summary

Graduated with a Bachelor's in Computer Application at VNSGU, Surat Affiliated Naranlala College of Professional and Applied Sciences, I am passionate about leveraging technology to solve complex problems. Along with an understanding of programming languages such as C, C++, Java, and Python and proficiency in SQL and Git/Github, I also possess a solid technical foundation. I have experience building and deploying websites using HTML, CSS, Bootstrap, and JavaScript.

Driven by a constant desire to learn, I am studying for a Master's in Computer Application at Dr. D.Y. Patil Institute of Management and Research.

I have also developed several projects, which are available on my GitHub profile at <https://www.github.com/nisoojadhav>.
